Dear Family,

Let's settle on a date for the reunion. Deb, you say you and Jerry will be here the week of July 19. July 19 is a Monday. Does that mean you will be there the following Saturday and Sunday? If so, which day should we have it?

Next question: What family? Just Ma and Pa Harry and descendents (and significant others, of course)? Or the whole Rice family? Or the whole Harry family? Both?

Activities: I think we ought to put together about 2 dozen fishing poles and get all kinds of bait and have a fishing contest.

I talked to Tom yesterday and he is planning on coming. He also wants to go to Boulder and go whitewater rafting again, like Carol and Amy and he and I did last summer. He has a girlfriend, and there is a chance he might bring her and her 4-year old son. He is mixed-race, and Tom was concerned as to how that would go over with the family. I told him it would be no problem. Tom got a membership at a gym so he can play racquetball. He talked to Amy recently and she told him she probably would not get to the reunion because she is short on money. Probably has it all tied up in the stock market.
