Deb,

I really feel bad that Dad is having even more problems. I agree with Cindy - I'd rather have him die than go on suffering. I saw him at Cindy's on Fathers Day and he seemed in fairly good spirits, but frail.

I have not met Tom's girlfriend Kelli. They made a trip to Boulder to see Amy early last month, and Kathy Brinks came out too. They wanted me to come out, but I didn't make it. Amy said Kelli seems pretty nice. Tom sounds really happy.

We are going to Ludington Thursday and will come back Sunday. We will be staying at the Vista Villa Motel, phone number (231) 843-9320.
