I did some shopping on the Internet, using orbitz.com, and I found a round trip flight to Miami for \$172. Small problem: We depart from South Bend and return to Grand Rapids.

We depart from South Bend on Thursday, Nov. 28 at 12:50 pm and arrive in Miami at 5:37 pm.

On the return, we depart from Miami on Tuesday at 7:15 am and arrive in Grand Rapids at 12:50 pm.

What this means is that someone would have to take us to South Bend Thanksgiving morning and pick us up in Grand Rapids on Tuesday at 1:00 pm. I would drive to South Haven and leave my car there.

Cindy, if you can't take off Monday and Tuesday, you will have to book your own flight. You could fly down with us, but come back early. The flight out of South Bend is United Airlines #7025.

I am assuming that just Walt, Cindy and I are flying down.
