Dear Tom and Kelli,

My dad died Saturday. He'd fallen into unconciousness Friday evening and died in the nursing home at 5:00 Saturday. The visitation is Tuesday and the funeral is Wednesday. I tried to call you tonight at 913-236-8724, but the woman who answered told me I had the wrong number.

I hope you had a good birthday, Tom. Did you get my letter?

Love, Dad
