Hi Deb,

Megan's wedding is May 22, right? Should we plan a Harry sibling road trip at that time? A short one, maybe 3 days? Leave Sunday, come back Tuesday? Longer is OK with me.

I have 2 events in mind: 1) a walk (and maybe picnic) on the banks of the Manistee River and 2) a hike out to the Sleeping Bear dune (about 2 miles round trip). The rest, we can play by ear. If we can all agree on the days we are going, I can scout out some lodging.

I turned in my retirement application yesterday, effective May 1. After that, I will work 20 hours a week on contract (at the same place).
