Deb,

Hadn't heard Uncle Haig died. We were in South Haven Saturday, so it must have been since then. We took Carol's daughter Dayna and her 2 little ones. Saw the parade and magic show at the Blueberry Festival and visited Mom.

I don't know what Being John Malkovich was about, but it sure was fun. We saw Garden State this afternoon, written, directed by and starring Zack Braff of "Scrubs". Very good.

I am REALLY retired now. I got notified by overnight mail today that my contract was terminated. I don't think they liked me questioning their decisions. In an undiplomatic manner. One of my pal's at work got fired yesterday. She may sue.
