Lois,

There was one other canoeist, a fisherman, who passed us on the way, and in 2 locations, we saw canoes or kayaks parked along the side of the river.

I have an appointment with an attorney Monday. I want to make sure I don't get in trouble posting MERS information on my alternative MERS website or by contacting MERS municipalities using the email addresses I got while I was at MERS. The website is up, but there is nothing on it yet. It is at [www.mersdirt.com](http://www.mersdirt.com).

I have been mixing fresh blueberries in vanilla yogurt, and I agree that it is great! Now I need to try it with frozen blueberries. We have a bunch of them in the freezer from past years.
