Lois,

Too bad about Janette. She was always very friendly to me. A little wierd, but nice.

We did see a lawyer and he saw no grounds for a lawsuit, which doesn't mean MERS wouldn't file one anyway. If they did and lost - which is likely - they would probably have to pay my costs. But not necessarily. So there is a risk, but the website is UP! Check it out at www.mersdirt.com. I just got it up, and you are the first to know about it. Let me know what you think.
