Lois,

I haven't heard from Shirley for a long time. Have you? How are you doing?

Did you see the latest additions to the "feedback" on the mersdirt website? They are at the bottom of that page.

I got an email from the ACLU today (below). But I already have a lawyer, James Starr, a former state representative. He sent Moquin a letter a couple days ago asking for copies of the 2 agreements I signed and he asked for "any statutory or case law that you may have defending [his] claim that [I] somehow violated an obligation to MERS".

Steve
