Alan,

We have been studying travel books and we have a list of stuff we'd like to do. There are some nice beaches off Clearwater, with some natural areas. In St. Petersburg, there is a Salvador Dali museum. Just north of Clearwater, there is Weeki Watchee, which has mermaids. Ninety miles north, there is a river where the manatees congregate in the winter. South of Clearwater, at Sarasota, is the Ringling Brothers museum and Myakka River State Park.

As for when we do this stuff, we don't have a schedule.

Steve
