Helen,

Yeah, I just put a bunch of legal papers on mersdirt.com, including MERS' counterclaim and my request for "summary disposition". Sorry you can't make it, but I certainly understand. Next time I will schedule lunch at a clandestine location where you won't be seen.

I sold only 1 picture at the Old Town art show. I sold another at our garage sale. I'm going to try again at the REO Town art market August 20. I'm slashing my prices.
