Tom,

So what are you doing with all your time now that you don't put all that time in at the Org? Did Kelli lose her job? Are you still planning a trip to Boulder?

The State Journal only printed 2 responses to my letter to the editor. I put them on my website, under Unions. I can't believe there weren't more of them.

We saw "Inside Man" this afternoon. It was good - a bank heist in which no one gets hurt. It is a Spike Lee movie, very well done.

We are getting our sliding glass doors replaced - the ones in the kitchen and bedroom. They are old - moisture gets between the panes. Today's windows are better built to keep out the cold and ultraviolet rays.

I did sign up for that Utah canyon trip. I couldn't find anyone willing to go with me, but that's not necessary. I'll be alone only on the drive to Boulder (Utah) from Salt Lake City and back.

Neither Carol nor I are doing much of anything, just acting like we are retired. I'm training for the Traverse City marathon, which is at the end of May. I'm up to 16 miles. For a first marathon, the longest training run they recommend is 20 miles. This summer, I plan to do some hiking in Michigan - places I haven't been to.

Grandma Harry's 90th birthday is this month. I just emailed my siblings asking for ideas on a party for her. Her arm is better. She is driving again and volunteering 2 half days a week at the hospital.

Love, Dad
