Walt and Sue,

I have a little art show coming up here in Lansing a week from Saturday, and I've increased my inventory by putting pictures in about 6 of the frames you picked up for me. I've got 30 pictures to show. I sold 10 last year. I've spent about \$1200 and I've taken in about \$300, so I guess you'd call this a hobby.

How was your trip?

Steve
