Dear Nancy,

So you are from Manhattan? (I looked up your area code.) Is 212-486-6708 your cell phone number? My cell phone number is 517-505-2696.

I've never been to the SLC airport, but I looked at a map online. There are 3 terminals: terminals 1, 2 and the International terminal. Northwest Airlines uses terminal #1. Baggage claim is on the ground level and a multiple-level parking structure is across the street. The car rental counters are on the ground level of the parking structure, facing the terminal. I could meet you at the Enterprise counter. My arrival time is 10:58, so I should get to the Enterprise counter at least by 11:30.

I am 64 years old, white, 5'6" tall, 145 pounds, curly hair, wire-rimmed glasses. I'll be dragging a navy blue suitcase and wearing a navy blue backpack.

If you have a better idea for meeting up, let me know.

Steve
