Hi Mom,

I finished reading "No Ordinary Time". I never realized what a huge undertaking World War II was for the United States. The book says that at the beginning of the war, our military was smaller than Switzerland's. Do you want the book back? I'll donate it to our library if you don't want it.

On Thursday, we fly to Florida for 2 weeks. We will be staying at the Royal Canadian Motel in Clearwater Beach. My cell phone number is 517-505-2696. Carol's is 517-281-4447. This is the 3rd year we've gone to Clearwater Beach. It's going to be hard to find new things to do. I'd prefer some place more exotic.

Did Laura tell you she is going with me on another trip to the Utah canyon country? We will be going the first week of April.
