Dear Cindy,

Thanks for the Valentine's letter. I'd like to hear all about your pontoon trip from Petosky to Cheboygan.

Nothing much exciting going on here. I've been doing a lot of reading and running.

I hope you have a DVD drive on your computer. These 3 DVD's contain Mom's entire collection of slides. I had all the digital images on my computer and they were taking up a lot of disk space. So I copied them all to DVD's and deleted them off my hard drive. Now I want to be sure that I don't lose the DVDs, because scanning all those slides was hours and hours of work. I've sent a set to Deb. Even if you don't have a DVD drive, please keep them in a safe place just in case something happens to the other copies.

By the way, I also still have the pictures – digital - I took at Megan's wedding.
