I made the corrections and cut out the part about the cold sores. And I don't know whether Ester is a vet, so I didn't say. Walter is going to send me his pictures, so I hope to add some of his to the narrative. I'd like to get Ed's, too, but I haven't heard from him. There is some info on Ed at www.firstlightcapital.com/Ilene.htm. And on Walter at www.imdb.com/name/nm0023013/.

Now I'm going to see if I can add my videos.
