Walter,

I got 'em. Thanks! They downloaded easily and they only included pictures from the trip.

It was me who discovered your true age. I found it at www.imdb.com/name/nm0023013/. I was surprised. I thought I was the oldest at age 64. What do you do to keep in shape? I have to exercise a lot!

Do you mind if I use some of your pictures in the account of the trip? I will give you credit.
