[Amy]

I don't have much occasion to listen to music or books. I listen to NPR when I'm lifting weights (about every other day), but when I am running I want to be able to hear the cars behind me . The best time to listen is when I am driving, but if Carol is with me I can't do that. We don't like the same kinds of stuff.

I am a David Sedaris fan. I've read most of his stuff.

I don't know what I'm going to get at Best Buy. I do want to get a laptop, so I might put the \$75 toward that.
