[to various news outlets]

Using the Secretary of State's Campaign Finance Searchable Database, I looked up each House member's Annual Campaign Statement (CS) for 2007 (which was due 1/31/08) and found how much they got from the BC/BS PAC. The total for all 110 members was \$91,900. Details are on my website: [steveharryforstaterep.org](http://steveharryforstaterep.org).
