Rich,

I wrote a little article for my website (www.stevharryforstaterep.org) on contributions from BC/BS to state legislators in 2007. I came up with a total of \$149,900. Your list of the top lobbyists for 2007 says the BC/BS total was \$412,004. That is a big difference. To whom did BC/BS contribute in 2007 besides legislators?
