Melody,

I have been contacted by Jay Price about placing an ad in the Michigan Chronicle. Maybe I'm being too cautious (sorry, Jay) but does he really represent the Chronicle? He is offering what sounds like a great bargain - a half page ad in 3 consecutive issues, plus a front page story, all for \$300. (I am a candidate for state representative in the 68th district (Lansing)). Is he and his offer legit?
