Thanks for the contribution! I don't post contributions to the website, but I do have to report them to the Secretary of State (campaign finance law). Is your address 41482 Cornell, Novi, MI, 48377? I forgot how to retrieve the information I collect on my "Donate" page (I've contacted the Help desk of my internet service provider to find out how to do it). The reason I forgot is that other than a donation I made to myself as a test a few months ago, yours is the first to be made using the donate feature on my website. I created the website completely on my own, and I have no training. I really don't know much, so it is great for you to offer your professional help. I use FrontPage 2003.

So did you decide not to enlist in the Army?

News from MERS: Jennifer Willis got fired and she is suing. Tama Allen, Jenny Cross and Kathy House joined our "MERS Refugee" group and we got a bunch of documents from MERS through a FOIA request. Problem is, Tama is the only one who really knows the significance of the material, and she now works for Kellogg in Battle Creek. She is planning to move there - may have already done so - so there hasn't been much activity. None for a couple of months. We had thought we might put a presentation together for the MERS Board. Jenny is working in Grand Rapids, Shelley in Ann Arbor. Kathy House is selling real estate in Mt. Pleasant.

Attached is the photo of me I used on the website. I need to get some better ones. This one is 3 years old.
