Amy,

We got your package today. Thanks. You didn't have to send us books AND food, but the food all looks good. We will enjoy it.

We had a house full of people today and it went well. Eleven grandchildren, Carol's four kids and their spouses, Carol's parents and Mom and aunt Shirley. Tomorrow - if the weather is OK - we are going to pick up Mom and Shirley in Grand Rapids and go to Barden's.

Did you find a kitten sitter?

Love, Dad
