

12/25/08

Laura and Rich Barden invited a bunch to their place for Christmas today. I've put my pictures of the event on my website: steveharryssite.com. If those of you who attended have any good pictures, send them to me and I will add them.

The quote for the day was from Walter: "They spend thousands of dollars teaching the mentally challenged [not his term] to tie their shoes and they have no place to go."

Steve
