Aunt Shirley,

Of Bob's kids, I remember Sharon the most. Tell her I'm sorry I'll be in Florida and miss her visit.

We drove to Orlando today to visit Carol's daughter Dawn and her family who were there vacationing for a week. Carol's parents are driving down to stay with us. They are leaving Thursday from Fowler (near St. Johns) and plan to get here Saturday. We suggested they fly down, but they preferred to drive. They are getting pretty old for such a trip, but they are adventurous.

Tom was here with us the last week of January. He flew from Denver. We visited a lot of parks, did some bird watching.
