

4/2409

Rhonda,

I would like to make a request under the Freedom of Information Act.

For all current BWL employees, I would like the following four items:

1. Employee name
2. Job classification/position
3. Salary or pay rate
4. Total earnings for 2008, as reported to the IRS

I realize that for employees hired this year, there will be no 2008 earnings.

I would like the information in electronic form, if possible, preferably a Microsoft Excel file. I would also like my cost to be kept as low as possible, so before incurring any data collection costs, please give me an estimate of what I will be charged.

To keep costs low, please let me know if any of this information is already available. For example, if it has already been provided to another requestor, or is available on a public database.

Also, you do not have to put the information together for me. If you have employee salaries in one file and 2008 earnings in another, you can give me 2 files.

Thank you.

Steve Harry
