Church of Jesus Christ of Later-day Saints. 1880 United States Census and National Index (LDS) (Salt Lake City, UT: Church of Jesus Christ of Later-day Saints, 2001). With any census there are occasional problems with the information provided to and recorded by the census enumerator. There are also hand writing problems. With this transcription there are also occasional problems introduced by the transcriber. For example, in one county the surname Sulis was repeatedly transcribed as Seelis and the small letter "l" was repeatedly entered using the number "1." It is wise to consult the film of the original forms for your direct line of ancestors.
