Dear Shirley, So that you  
you will get this on time  
I will write a card this time.  
Had company last night.  
Miss Wilson and Harry for  
supper. Fussed quite a lot  
and to tried to write after they  
left. got up so late when Bob isn't  
here that's noon right away.  
quilling at Vera's this afternoon  
and must get some sewing  
done before I go or I can't get  
to work on my rug this week.  
so much more fun than  
mending, am looking  
for you home next week.  
will try to send a box Mon.  
or tomorrow, wheels out for  
Dad's birthday supper. Lois  
does like birthday cake  
and Lani's both made  
cakes. So we had plenty of  
cake anyway. Love. Mom.
