Miss Shirley Rice

2-5-37 Mother went
away this morn and
told me to write you a letter
Mr. J. & Adie & Nina & Bill
were here yesterday celebrating
our 35th anniversary.

We get a card from Nina
often so at least her chin
must be out of water.

Your Mother is at Lina's
with a bunch of Grange ladies
peacing a quilt to raffel at
Grange. Hazel is much
improved.

This has been a quiet week.
Bob home but one night
& Celva has not been out
and Celmas has not been
home. Dad
