Dear Shirley:

Me, Gordon Borne, Bill Schlock  
Don Lane, Spike Greenman and a  
bunch of other guys are going to  
take dancing lessons from Miss  
Hamilton and be follies girls in  
the alumni program. But I don't  
plan to take Fred Astaire's job right  
away.

I'm going to take up mechanical  
drawing for the Chevrolet Company.

THE  
1938 modeled by Bob Rice

I seem having letter writing  
in English.

Your loving Brother
