Dear Shirley -

Wednesday when I read
the paper Red Lundy's
obituary was in it and
a few minutes later Cloe
called to say Arlene had
been taken to Kalamazoo
by capter. A couple hours
later she called that Arlene
had died.

Last nite at the funeral home
Ed said she was on the table
being checked for a kidney or
bladder infection when she
had the attack. Just like
her 2 brothers - very sudden.

late.

Then to the church to
fold newsletters.

I called Jennie Johnson.
She said when she saw
Rel earlier this summer
she was upset by how he
looked but he never slowed
down. He died suddenly
just as he went to bed.
He said he didn't feel well
so Martha gave him a couple
to Nitro glycerin - she went
into the bathroom & heard
a noise & went out - called
the emergency aid which was
very near but couldn't revive
him. J. said must have

been 500 people at the
visitation. I couldn't find
the paper with his write up.

Guess when you get
old funerals are chief
entertainment. Monday
was Donna Ridley's
funeral.

Guess this is all
of the 'good news'.

Love
E.
