Dear Shirley,

I was cleaning and sorting the desk and found Mike's Certificate of death in our tin box.

Yesterday Marian told me Kathy + her daughters want them to move to Waughas. There is some seniors housing near the old hospital some of it is subsidized + some not. Balkemas lived there for a while. They want them ^{closer} so they will be easier to visit. Melonie has moved into an apartment now. I'd hate to see them go but really think it is a good idea.

They know their limitations. When anyone speaks of a trip Clyde always says "I'm glad I don't have to go". Kathy even said she would come to church with them. They've always wanted her to go to church someplace.

They would keep the same doctors here in S.H.

They will be as near to Glenwood but have to travel farther to Beegles. I don't think he even drives to Halland any more.

We are going to Lowell for Legislative Day tomorrow. Pete offered to go. Two who had reservations cont. That way I won't have to have someone watch out for him. He has been having long travels again.

Jason called so excited about the baby

now they found Christy has cancer of the
servix. They are going to watch it & take
a biopsy every 2 weeks. If it doesn't spread
try to go 8 wks before taking the baby.
She gave up smoking & cakes etc.

David got kicked off the bus for fighting.
His seat mate too - son of the very religious
John Brush. Three days off. They don't even
give any warnings. His punishment is 2 weeks
with no T.V. That gives him time with his
Dad. They were playing catch yesterday.
I always thought he watched too much TV

Do you watch "Evening Shade". It was
real funny tonight. Sometime I like "Dave's
World".

Guess ~~it~~ nothing more than ^{what} we talked
about the other night.

I told Marian better to make the decision
themselves than reach the stage when your
kids start making them for you. Besides they will
be able to get rid of a lot of stuff.

If you move to Grand Rapids you will
be half way between friends in B.P. & S.H.

Love
Eleanor
