

Dear Shirley, write by return  
mail to let me know the  
size shoes you want. The  
other stuff came yesterday  
but as you failed to state size  
they are holding your part  
for information. Now dont  
say you did for the order is  
here to prove it. I didnt  
look at your part never  
entering my mind that  
you wouldnt know better  
than leave out such an  
important item. Of course  
I wouldnt ever do such a  
thing. Sorry about Sat  
think he was rather  
looking forward to it.

will let you know about next  
week. He says he thinks he  
can come. I guess we are  
going just to be home. Thanks go  
with the usual fixings.  
Cal is north hunting now  
went Sat. Don't know when  
he comes back. Dad and I  
cleaned the attic this morning  
you see the rain has done  
some good. Certainly glad  
to hear about hair.

Mom,

All right about  
Esther. I probably won't see  
any of them.
