Dear Shirley, Hope you <sup>soon</sup>  
are feeling better and  
that you don't go to  
work to soon. Better to  
miss two or three days  
now than several days  
later. They didn't tell  
me you had called until  
last night. If we only had  
a decent car we could  
have come to see you  
yesterday. Janis is home  
with a cold, not bad  
but I thought it better  
to take care of her. Such  
a raw wind today. I  
am afraid you are out  
of pearls. Take care of  
yourself. Mom
