Dear Shirley, I'll wager you were  
disgusted when you got the box with  
no Baked food in it. I was so busy  
with one thing and another that  
I forgot about sending a box  
until Dad spoke of it near train  
time. I had been awake a  
large part of night with Janis  
she told you I spoke that she  
had been quite sick, we had  
the flu out yesterday morning  
just the grip, I guess. Lumblo  
be feeling fine now but I'll  
keep her in bed a day or two yet.  
I have been at Little Bennets  
helping quilt today and Tues.  
the Grange cleaned at the Hall  
we are going to have it looking  
pretty good by the time of wedding.

Yes I was the one that suggested  
new curtains but if I hadn't  
I think someone else would have  
I am afraid there will be no one  
to come after you but I am hoping  
to be able to take you back and  
plenty of provision.

I wish someone could come.  
I hate to have you miss a day.  
Janis keeps the radio going all  
the time. I get awful tired of it  
but it keeps her contented.

We are going to have a style show  
and tea while you are home. At  
least I am hoping to have it then  
so you can help with show.

Havint heard again from Slim  
are looking for him every day.  
Must get supper. I am not

hungry but I expect the rest are.  
We had such a nice dinner at  
two o'clock.

The Paul Nina speak of is  
P. Rankin, my mother's brother's  
boy. He is Dr. Paul Rankin,  
Director of curriculum and  
research for Detroit public  
schools.

He is the youngest one of our  
generation. About fifteen years  
younger than I. I visited his  
folks at Lapeer when I was  
seventeen.

Love Mom.
