THIS SIDE OF CARD IS FOR ADDRESS

Shirley Ann Rice
1116 Merrill
Kalamazoo
Michigan.

Dear Shirley. Found your laundry
bag later was at Elvas yesterday
minded while she worked on
suit. Has it well started. thinks
she can finish without
rying on. She tried to find cloth
for a blouse but couldn't find
right shade. She thought orange
would be best. If you
will get the goods there and
send right away she will
make it. you need not send
the dollar. I gave it to her.
I thought those rolls were
very poor. Had not the right
color and the fire was not
hot enough. I didn't make
them to send. just happened
to have them so sent.
I'm wearing my arm in
a sling. Although it would
get better faster. Is so
handy doing housework
I hope sling will go back
tomorrow for another load.
Will do better next time. Mom.
