Dear Shirley, Friday morn.
Such a lovely morning
I would like to be outside.
You see Albert came
earlier this time and
I hadn't packed the box
Several things I left
out in my flurry.

My cake for one thing.
Kibbi school with all
the other schools in Allegan
Co. are at Allegan for a
field meet and music
festival. Several of the
mothers went. I would
have liked to have gone
but I knew it would be
rather a hard day and
I have plenty to do at
home. I can't still

do a lot of cooking
and dish washing.
Slim seem to be doing
a lot of business.

The fruit still looks
fine. Dad is walking
on air. He has taken trips
young orchard for five years
Couldn't get along without
more spraying to do.

They are talking four cents
for cherries.

We will try to get the
blankets for you. Will you
come through So Haven
I could leave the blankets
at Elvas. Now wouldn't
you be proud to have us
drive out there in our
old Pontiac.

The speech is fine. I
am going to put it in
my scrap book. I
think you are having
a wonderful time. In
spite of all the studying
I would like to know
why you get so lame.

I think the wedding
will be the nice thing
you finish the 15th
I believe. Will let you
know as soon as I
know when we come
to Kal. Dad wants to
come too.

I wish you could see
the lovely bouquet of
tulips and narcissus
here in front of me.

Dad read your letter
while I was at Eleanor's
picnic. Said it was
a grand letter.

I must go to work
Mom.
