Dear Shirley, I came home
from H. Sat. afternoon. Am
getting along just as
well as anyone possible
could. Don't believe I
could do a big washing
or clean house but I
can sit in an easy
chair and hold a book
for a long time.

I am not a thing of
beauty even yet
what with red paint from
near end of chin to breast-
bone and bandage. Or
is to take out stitches
today. I haven't seen
it. But they say opening
isn't large. Hope your
box is back soon.
