Dear S. You will be all right
for you to bring the girls.
Someone can sleep on
couch. I brought Eleanor
home Sat. I can take care
of her easier here. Piti
tried to have her leave
but knew it was best. She
is no better. Was quite a
bit better Sat and Sun but
not so well again yesterday.
I do hope she will begin
to improve soon poor kid.
Luckily she sleeps a lot
helps to put in time.
Piti was here Sun. and
again last night. Do take
care of yourself. Colds can
leave nasty reminders. I
can't tell whether you mean
this week or next but can write

Monday
at
some
of
the
school
schedule
and
some
other
things
I
will
write
you
soon
