Dear Hurley,  
another postal because  
you are coming home.  
The blankets are at  
Elväs. think you will  
need more if this weather  
continues. Don't know who  
will be here over week  
end but one girl  
more won't make  
much difference  
we can kick her in  
some where. Maybe no  
one extra. Are talking  
of going to Ely lake  
soon! So I am told.  
Hope we will have a  
little of the good old sun  
again.
