Dear Shirley. Do what you
think best about telephone
fee. Had you thought
of a resort. I see that
~~Montgomery~~ W. are still
crediting you with
\$20. Hadn't you better
take care of that - You
can hardly afford
to lose so much
and should see
to it while you are
there. Had a fine
time with the folks
Sun. Don't worry too
much over job. I think
something will turn ^{up}
