The wheelers off for Texas  
Lisler washed. Gabe cooked  
us a good breakfast. He came  
in Friday night. Will be home  
all week so we will be well  
fed. Had sees Mr at one  
thirty, then if it's all right  
goes to hospital tonight.  
Operate early tomorrow  
morning. Be glad when  
it is over.

We went to Charles yesterday  
afternoon. Got home about  
midnight. Sick and family  
came while we were there  
Had a fine time. Sick  
has a fine voice. Should  
think he could do more  
with it than flying for  
the army. He saved the  
Holy City & thought it wonderful.
