Dear Shirley Kibbi Sat. 2-30 AM
you see I am cheating
Uncle Sam. A nice day
after the frost. Dad brought
in some cherry blossoms
about nine o'clock and
they were all right so we
are hoping they are not hurt.
We were terrible worried last night.
There is the best prospect we
have ever had on the place if
they can only go through
without hurt.

I have been working quite
considerable since I came
back. seem to have more
ambition tho not over loaded
with it yet. took an osteopathic
treatment yesterday. Schick
worked on me for ten hours

Naturally there are a number of tender spots today after such a going over but I think I am going to get over this trouble soon.

Take another treatment this. It may hurt me so much to spend the money that it will do more harm than good.

The stew is some left from supper last night. It wasn't very good or there wouldn't have been so much left. One can isn't tight so use that first. I put in some brown gravy which was over brown. I thought if you were terribly hungry it might last good. Hope the bread turns out well. Am going to make a cake also and hoping for

work. You
you of many bumper crop
that. Am sending the
yellow dress. Hope it fits
Did you tell me to do any
thing to the blouse. Of so
I don't know what?

Eleanor came home last-
night. Has been feeling
rather out of sorts with
soar throat. Better this
afternoon and out poking
around rose bushes.
Had a fine time in Joliet.
The Gabriels have bought
a home there and are
moving right away.
A very nice place.
We did a lot of driving
around. Went to Hinsdale
Sun. Alice won't be over
for a couple of weeks

I wonder if I will ever get
the house cleaned but I
don't care. If the cherris
come through all right
I am not going to worry
about house cleaning.
If Eleanor come to Kato to
get her dress I may come
too. We might take dinner
with you. If we do will
make it. "Not luck".
Must stop and make
cake as oven is hot.
To bad to miss Flossie
time here but I expect
it's lovely there.

Lot. Mom
Wish I had more stuff
ready to send. Am going
to card lot of things especially
for you this year and keep
them in separate upboard

There will always be needs
