I talked to Tom a couple days ago. His new address is 6904 W. 51st St., Apt. 218, Mission, KS 66202. His phone number is 913-236-8724, which he says is not new, but it was new to me.

He and his girlfriend Kelli just moved into this 1-bedroom apartment. He had been living in a studio apartment. Also living with them is Kelli's 11-year old daughter, and once in a while, her son, who most of the time stays with his father. Kelli also has another son who lives with her mother.

They plan to get a larger apartment at the end of September, when the lease is up on this apartment.
