Tom,

It has been a long time since we have heard from you. How are you? What's new?

Grandma Harry has moved to an apartment downtown. The complex is behind City Hall, so she has a view of the river. Megan is living with her and working at South Haven hospital. Laura and Rich and family are going to sell their house and move into the old homestead.

I finally finished my project in the back yard, repacing steps and patio. It turned out well. It took so much time that we had little time to vacation this summer, so we took off extra days the last 2 weekends and went up north. Got some nice sunset pictures.

I'm planning to retire next year - when next year, I don't know.

Carol has her business all set up and ready to go, but no paying customers yet. She has a brochure and business cards and a cell phone. But that big demand for neurofeedback has not yet materialized.

Love, Dad
