Cindy,

Thanks for the pictures and the check. And the offer to peddle my pictures. I've been thinking a lot about trying to sell them. Maybe I could put displays in the Barden fruit stands. I've got all my "arty" photos in one book. I'll bring it home and have you help pick out which ones might sell.

Carol and I were in Ludington again last weekend with 2 of our grandchildren, ages 10 and 12. We rode go-carts, paddled a paddleboat in Lake Hamlin, played shuffleboard, and swam in the mouth of the river at the State Park. I snorkled there and saw lots of fish.
