Amy,

We planned this trip for the same week Deb was going to be in South Haven for a class reunion. We do get along pretty good, but we didn't discuss politics. Just about all of them are NASCAR fans, and Walter is pretty conservative. Your cousin Jason is really conservative, and religious to boot.

I've read 2 or 3 chapters of the book, and it is very funny, although he talks about some pretty serious family history. So far, it has been all about his childhood. If you'd like to read it, let me know and I will send it to you when I finish it. Or you could get his older books from the library. His previous book was "Me Talk Pretty Some Day".

Love, Dad
