

January 11, 2005

Yes, we saw Sideways and liked it. Next I'd like to see Kinsey, Million Dollar Baby, and In Good Company. There is a new multi-screen cinema in the new Eastwood Towne Center only about 10 minutes away from us. Our routine is to see a movie then go to La Seniorita and eat chimichangas and drink Dos Equis (for Carol, rum and Coke with lime in a tall glass).
