I like your website. How do you make money?

I'm going to run for state representative. So far, all I've done is work on a website. You can see it by going to www.stevemharryssite.com and then click "Steve Harry for State Representative" at the lower right. It has been fun working on it. The campaign will be for 2008. I'd like to register early so people will have plenty of time to find out about me. I don't plan to spend any of my own money. Unless I get some contributions, the website may be my entire campaign. I have no great desire to win. If I win, I'll have to go to work!!!!
